PROFESSIONAL SUMMARY

Junior Software QA Tester with hands-on experience validating web and mobile applications within active Agile/Scrum teams. Proven ability to execute structured test cases, perform exploratory testing to uncover edge cases, and deliver clear, actionable defect reports. Collaborative team player focused on verifying functionality, ensuring a smooth user experience, and supporting release readiness while currently expanding capabilities into test automation and quality assurance.

EXPERIENCE

JLabs Innovatech Inc.

December 2025 - May 2026

Junior Software QA Tester (Remote)

Makati City, Ph

- Performed manual testing for web-based applications, focusing on UI, functionality, and cross-browser behavior including a hotel booking system, content portal, and fuel management system
- Documented defects with detailed reproduction steps, severity classification, and expected vs actual results with evidence
- Executed functional, regression, exploratory, and mobile app testing to validate system behavior and usability
- Participated in Agile Scrum activities including sprint planning, daily stand-ups, and sprint reviews
- Collaborated with developers and project managers to verify fixes and ensure issue resolution before release

Startup PH

July - November 2025

Front-End Developer / QA Tester (Remote, Part-time)

Pasig City, Manila, Ph

- Assisted in front-end development using HTML, CSS, and JavaScript to improve user interface consistency
- Executed functional and usability testing to ensure accurate user flows and feature performance
- Reported UI and functional issues to support debugging and improvement cycles

Armada Logics, Inc

February - March 2025

Web Developer Intern / QA Tester

San Fernando, La Union, Ph

- Assisted in front-end development using HTML, CSS, and JavaScript for an e-commerce web application
- Supported regression testing by verifying bug fixes prior to deployment
- Participated in validation of updates and system improvements before release
- Collaborated with team members to maintain system quality and usability standards

Crissander Enterprises

July - November 2025

Content Designer / Social Media Manager

Baclayon, Bohol, Ph

- Created visual and promotional content for social media platforms
- Managed content scheduling and maintained brand consistency across digital channels
- Monitored engagement metrics and campaign performance to support content optimization
